

ATMOSPHERA

SOFA

Flash Set

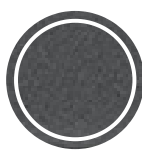

Designed by Atmosphera Creative Lab

Flash is the modular sofa characterized by the hand-woven ropes in thermoplastic acrylic Teflon fiber, water-resistant and easy to clean. The material has a soft appeal and refined like textile weaves. It is characterized by its resistance to UV rays and to its drying speed. The finishes colors are ivory white and melange gray, with sandy-colored filaments. The table tops are characterized by a textured natural anthracite gray stone effect.
