

LENNY_4 ways

Design CSR Eforma

Lenny 4 Ways è la sedia da ufficio progettata per garantire comfort e supporto durante sedute prolungate come lunghe ore lavorative. Questo complemento d'arredo di design fa parte del progetto di design CSR Eforma e si presenta come la soluzione ideale per stabilità e supporto. La sedia da ufficio Lenny 4 Ways è imbottita con base girevole a 4 razze in alluminio verniciato o spazzolato ed è disponibile con il rivestimento non sfoderabile in pelle, ecopelle o tessuto. Lo stile è estremamente contemporaneo, creando un equilibrio piacevole con la seduta trapuntata che invece è di ispirazione classica. Un complemento d'arredo di design come la sedia Lenny 4 Ways ha bisogno di comparire a fianco di elementi altrettanto importanti: ad esempio tavoli scultorei come il tavolo Cilindro con top in ceramica. Disponibile anche nella versione con rotelle Lenny 5 Ways.

Lenny 4 Ways is the office chair designed to provide comfort and support during prolonged sitting periods such as long working hours. This design furniture complement is part of the CSR Eforma design project and is presented as the ideal solution for stability and support. The Lenny 4 Ways office chair is padded with a 4-spoke swivel base in painted or brushed aluminum and is available with non-removable leather, eco-leather or fabric upholstery. The style is extremely contemporary, creating a pleasant balance with the quilted seat, which is instead of classic inspiration. A design furniture complement such as the Lenny 4 Ways chair needs to appear alongside equally important elements, such as sculptural tables like the Cylinder table with a ceramic top. Also available in the version with wheels Lenny 5 Ways.

FINITURE/FINISHES

Attenzione: il prodotto finito può presentare delle lievi variazioni di colore rispetto ai campioni forniti dall'azienda. I colori visualizzati sono puramente indicativi e possono variare rispetto alla realtà. Rivolgersi ad EFORMA o al proprio rivenditore di fiducia per ricevere maggiori informazioni. EFORMA si riserva di apportare modifiche e/o migliorie di carattere tecnico ed estetico ai propri modelli e prodotti in qualsiasi momento e senza preavviso. / *Attention: the final product may show slight variations in colour compared to the samples supplied by the company. The colours displayed are indicative and can vary in reality. Please contact EFORMA or your preferred retailer for more information. EFORMA reserves the right to change and/or apply technical and esthetical improvements to its models and products at any time without any notice.*

Metallo/Metal

I metalli della nostra collezione vengono verniciati a polvere così da rivestire le nostre superfici a scopo decorativo e protettivo. Lo spessore finale della verniciatura a polveri, risulta particolarmente elevata contribuendo ad una serie di rilevanti vantaggi sul prodotto verniciato: resistenza meccanica, resistenza agli agenti corrosivi, scarsa infiammabilità, precisione nell'applicazione. Le verniciature a polveri utilizzate sono totalmente atossiche e prive di solventi, per questo motivo la verniciatura a polveri è una lavorazione ECO-FRIENDLY, a bassissimo impatto ambientale. Disponibile la versione cromata dove il metallo o l'alluminio vengono rivestiti di cromo, conferendogli così durezza, resistenza chimica e resistenza all'ossidazione. / *The metals in our collection are powder coated in order to coat our surfaces for decorative and protective purposes. The final thickness of the powder coating is particularly high contributing to a series of advantages for the painted product: mechanical resistance, resistance to corrosive agents, low flammability, precision in the application. The powder coatings used are non-toxic and solvent-free, for this reason powder coating is an ECO-FRIENDLY process, with a very low environmental impact. The chrome version is available where the metal or aluminum is coated with chrome, giving it hardness, chemical resistance and resistance to oxidation.*

Legno/Wood

Il legno che viene utilizzato è tra i migliori che esistono sul mercato europeo. Viene lavorato con le migliori tecniche garantendo così resistenza e durata. *The wood which is used is one of the best available in European markets. It is worked with the best techniques guaranteeing resistance and durability.*

LEGNO MASSELLO/SOLID WOOD

Il legno utilizzato è un materiale di pregio che si caratterizza principalmente per la resistenza all'usura e per l'estetica. Durante il suo ciclo di crescita, sviluppo e maturazione, il legno si evolve nelle sue qualità come il cambio nel colore, nei nodi, e nelle vene. Essendo un materiale vivo, e naturale, può presentare delle variazioni di vene e di tonalità. *The wood used is a valuable material that is mainly characterized by its wear resistance and its aesthetics. During its cycle of growth, development and maturation, the wood's qualities. Evolve showing a change in color, in the knots, and in the veins. Being a living, natural material, it can present variations in veins and shades.*
