

TREKU

Aise Collection

PRODUCT DATA SHEET

1901

1/3

Model: Aise

Manufactured in: Spain-Europe (EU)

Designers: Ibon Arrizabalaga

Aise is a table system characterized by its weightlessness visual effect (sleek appearance) and solid construction. One important feature of its design is the thickness of its top, which barely appears to reach half a centimeter. The legs and frame can be made of metal (white/black) or wood (walnut/oak; in this version, the table can also be extendable).

1. Measurements

4. Product maintenance

For cleaning use a cloth moistened with water. Do not use solvents or cleaning products. Avoid placing penetrating liquids, essential oils, perfumes, on top of the furniture. For Fenix tops refer to the following link: <http://www.fenixforinteriors.com/es/maintenance>.

The best care is prevention. Use holders, cloths and mats on surfaces that may suffer wear and tear.

5. Packaging and transportation

All our products are duly packaged (cardboard, foams and Styrofoam). Our carriers are the most demanding for the characteristics of our products.

6. Assembly instructions

All our products include assembly instructions for their correct installation.

See attached document.

For any technical question, do not hesitate to contact our technical department.

7. Warranty

The products have 2 years guarantee as long as its installation is carried out by professionals of the sector and the use of the material is adequate. Treku accepts no liability for any incident arising from the mishandling of the products supplied.

Wood, being a natural product, may have small differences in texture, color and pattern. Treku is not responsible for any minor differences that may arise.

Because of its natural origin, the wood with time may suffer differences in color and texture, so we cannot ensure homogeneity of color in additional orders.
